Mark 6. 1-13

Jesus finds that people in his own town don't respect him.
He then sends his disciples on a mission.

The disciples have to rely on God on their journey, as they can't take anything with them to help them.

Go through the maze to get to Jesus – but make sure you avoid the things you can't take with you on the way!

Write answer: Go and tell people to repent

Cross out all these words:
money, bag and bread, to
reveal the hidden message:
